NEW PRODUCT

Meredith Goat Feta (in brine) 1.2kg approx.

This fresh cheese is made from goat's milk that is gathered on the farm every day. A unique product that is delicately handled in order to create a satin texture. This firm cheese has a clean flavour, is slightly acidic and has a mild salty finish. Easy to slice, and perfect in salads, Meredith Goat's feta has its trademark full-bodied creaminess.

MERCHANT Red Sour Cherries 500gm

Sour cherries are more acidic than regular cherries, which given them great scope as an ingredient. Used in combination with sugar, to balance the acidity and bring out the fruits aroma and flavour, sour cherries are commonly used in pork and duck dishes, soups, cakes and tarts.

NEW PRODUCT

MERCHANT Golden Raisins 500gm

These raisins are exceptional in their appearance due to their length, whilst boasting a glossy golden complexion with a tinge of green. Golden Raisins have a wonderful balance of acidity and fruit making them a versatile ingredient, especially for use in tagines and stuffings. Served naturally, they are a fantastic addition to a cheese plate, or they can be macerated in verjuice or sugar syrup and served with poached fruits.

NEW PRODUCT

Tunisian Brick Pastry 150gm (6 packs minimum order)

Brick Pastry is made of wheat flour, oil, salt and water and can be used in the same way as filo pastry. However it does not dry and flake as dramatically. Traditionally it is used to make interesting parcels of differing shapes and sizes, and its neutral flavour lends itself to both sweet and savoury dishes.

Crumbed Whiting Fillets 5kg (5 x 1kg bags in box)

Sand Whiting fillets wrapped in Panko crumb and individually quick frozen to maintain freshness. Best cooked from frozen, minimising waste & maintaining crispiness of the crumb. Great for catering, cafes & clubs.

Solera 77 Videsan St Lucar Jerez Sherry Vinegar 750ml

Videsan S.L are a company that only produce sherry vinegar. It is made in new fresh oak barrels, giving it a wonderful fresh floral bouquet and taste. It has a high acidity of 7%. There is no residual sugar or dark colour.

Affineur Baby Trio 60gm approx. Affineur Trio 200gm approx.

Trio, as the name suggests, is made from a blend of pasteurised sheep, goat and cow's milk, a formula that lets no component dominate. The curds are drained in small moulds and then matured for only 10 days at the dairy. The thin edible rind barely contains a hint of tang, the pate is straw coloured with a delicate and creamy finish.

Orange Mountain Verjus 750ml

Verjus is the tart fresh juice made by pressing unripe grapes. Although popularised recently, it is not a new ingredient. It has been used since the middle ages, in many different cuisines in place of wine or vinegar. When used in dressings, its sour notes compliment wines in a way that lemon or vinegar cannot. It works particularly well with oils such as walnut, sesame and hazelnut. This verjus is a clear water like juice, making it even more versatile.
